25X1

Comment. to army troops of the Third Shock Army. 25X1

Comment. Elements of the 10th Gds RL Regt of the IX Mtz Rifle Ucrys from Schwerin conducted firing practices with live ammunities in the Dis 25X1 Lewitz training area north of Ludwigslust between about 2 and 12 June 1994. The present report indicates, that contingents of this regiment also moved 25X1 to the Wit stock troop training grounds.

3. Comment. The motor vehicles belonged to a unit of the Third block 25X1
Army. The troop train probably came from the area of the 94th Gds 1 W
Aifile Div. Grabow was only transit station between the Schwerin and
Wittenberge railroad subdistricts.

comment. 25X1

also conducted combat firing at the Altengrabou troop training grounds.

5. Comment. This troop train has been repeatedly reported.

Comment.

scout cars of the 6th Gds Mech Div to Bernau, similar contingents of the 25th Tank Div also transferred to Altengrabow for combat firing practiced.
